LUXURIOUS LASHES

Dreaming of long luxurious lashes? Try our signature set of eyelash extensions. These lashes last not only for your wedding, but for the honeymoon too! The application for a full set will be around two and a half hours. For a fill it can be anywhere from 75 to 90 minutes. The application process is very relaxing - like receiving a spa service. You lie down on a plush table and have your eyes closed the entire time. They can last anywhere from 2-4 weeks depending on your lash cycle. We recommend having a full set plus one fill prior to the wedding day.
